Print durable, long lasting labels from your PC, Mac, smartphone or tablet.

[www.brother.eu](http://www.brother.eu)

- Share label printing between many users.
- Built-in cutter with easy label peel feature.
- Includes tape cassette, AC adapter, USB cable.
- Prints 3.5, 6, 9, 12, 18 and 24mm labels.

“As our P-touch P750W is shared over the network, everyone in the office can print labels from their PC and Mac, and from their smartphone and tablet using the free iPrint&Label app.”

*P-touch*  
P750W

## Professional label printing for the modern office

The P-touch P750W is an advanced yet easy-to-use Wi-Fi enabled labelling machine that everyone in your organisation can use to quickly design and print labels up to 24mm in width. Label file folders, archive documents, data backup discs/USB sticks and shelves, or create custom signage. P-touch Editor 5 software lets you use your PC's fonts, and include images, symbols and barcodes on your labels, or download the iPrint&Label app to design and print labels from your smartphone or tablet.

### Key features

- Print labels 3.5 to 24mm in width.
- Built-in Wi-Fi to share around the office.
- Automatic cutter with half-cut for easy-to-peel labels.
- Choose from any of your installed true type fonts.
- Add a logo, symbol or frame to your labels.
- Free iPrint&Label design app for your iOS and Android smartphone/tablet.
- NFC reader to easily connect your NFC enabled mobile device.

### P-touch laminated labels – designed to last

Brother P-touch laminated TZe tapes consist of six layers of materials, resulting in a thin yet extremely strong label. The thermal transfer ink is sandwiched between two protective layers of PET(polyester film), which protects the text against the effects of liquids, abrasion, temperature, chemicals and sunlight. As the labels have been tested to the extreme, you can be confident of a professional quality label that has been designed to last.

Laminated

Temperature Resistant

Water Resistant

Fade Resistant

Abrasion Resistant

Chemical Resistant

Easy Peel

Strong Adhesion
